

CLAY MCFERRAN

FCAS, MAAA

Actuary

clay.mcferran@milliman.com

Current Responsibility

Clay McFerran is an actuary with the Los Angeles office of Milliman. He joined the firm in 2014.

Professional Work Experience

Clay has experience providing casualty actuarial services to a broad range of clients, including governmental entities, private-insurance carriers, and a variety of self-insurance and risk-retention programs.

Prior to joining Milliman, Clay worked in reserving and pricing at multi-line insurance companies.

Professional Designations

- Fellow, Casualty Actuarial Society
- Member, American Academy of Actuaries

Education

BS, Mathematics, California Polytechnic State University, San Luis Obispo
