Current Responsibility

William (Bill) Mehilos is a consultant in the Indianapolis office of Milliman. He joined the firm in 2017.

Professional Work Experience

Bill consults on individual and group life insurance products. He works with term life, universal life, whole life products, and life-LTC combination products. Bill's primary area of expertise is simplified issue/guaranteed issue worksite life insurance.

Bill has provided consulting on strategy, product design, product development and pricing, modeling, and system implementation.

Bill had led and co-authored Milliman's annual Worksite Life Surveys since 2018. He regularly speaks on these trends and other life insurance topics at life insurance conferences.

Before joining Milliman, Bill worked for Trustmark Companies for 15 years, where he most recently served as second vice president and the illustration actuary.
