

JOSEPH R. MICHELS

FCAS, CSPA, MAAA

Actuary

joe.michels@milliman.com

262 289 1838

Current Responsibility

Joe Michels is an actuary with the Milwaukee office of Milliman. He joined the firm in January 2021.

Professional Work Experience

Joe's areas of expertise include mortgage servicing analytics, credit risk consulting, and mortgage insurance. He has experience working on projects for mortgage lenders, mortgage insurers, property and casualty insurers/reinsurers, and government agencies.

Joe also has expertise in estimating loss reserves for latent claim exposures such as Federal Black Lung and PFAS. He has developed predictive and financial models to forecast these losses.

Professional Designations

- Fellow, Casualty Actuarial Society
- Certified Specialist in Predictive Analytics
- Member, American Academy of Actuaries

Education

BBA, Actuarial Science and Risk Management & Insurance, University of Wisconsin-Madison
