Current Responsibility

Charlie Mills is a principal and consulting actuary with the Health Practice in the Seattle office of Milliman. He joined the firm in 2003.

Professional Work Experience

Charlie's experience as a healthcare consultant includes:

- o Network and ACO development
- o Provider contracting and reimbursement
- o Enterprise analytics
- o Medicare Advantage bid preparation

Charlie has significant experience working with both health plans and providers. He has prepared Medicare Advantage bids since 2008, is an expert in Medicare fee schedules and provider reimbursement, and has had the opportunity to work with providers participating in Medicare's Pioneer ACO, Next Generation ACO, Shared Savings Program (MSSP), and Direct Contracting programs.

In addition, Charlie provides clients the tools and expertise needed to leverage data in their decision making processes. Charlie has played a key role in the development of a number of Milliman products, including the Health Cost Guidelines (HCG) Grouper, GlobalRVUs, Medicare Repricer, and ACO Builder.
