312-873-9668

Current Responsibility

Galín Mitchener is a consulting actuary with the Chicago office of Milliman. He has been with the firm since 2023.

Professional Work Experience

Galín specializes in consulting life insurance organizations with regards to financial reporting. His professional experience includes NAIC Appointed Actuary responsibilities, mergers and acquisitions, financial modeling and governance, assumption setting, corporate planning, and strategic capital management.

Galín attends NAIC Life Actuarial Task Force and other financial statement-oriented meetings of the NAIC. Part of his role is to help monitor NAIC regulatory activity as it pertains to NAIC accounting, capital reserving, and other actuarial matters.
