

KATRINA MONAGHAN

Associate Actuary Consultant

katrina.monaghan@milliman.com

Current Responsibility

Katrina Monaghan is an associate consultant in Milliman's Dublin office. She re-joined the Dublin practice in 2024 after completing work placement with us in 2023.

Professional Work Experience

Katrina's experience is primarily in the life assurance field in both the Irish domestic and cross-border life assurance markets. Her expertise includes valuation and financial reporting, maintaining and validating actuarial modelling systems, conducting experience investigations, and other consulting work. Katrina has supported clients in meeting Solvency II requirements across the three pillars. Katrina is involved in the regulatory technology services provided by Milliman. Her role involves monitoring regulatory updates, as well as managing the administration and training for Milliman's Solvency II compliance assessment tool. She is also keeping up to date on developments in the areas of actuarial modelling and Solvency II. Katrina is currently sitting her professional exams.

Education

Bachelor of Science in Actuarial Science and Risk Management -
Queen's University Belfast
