Current Responsibility

Pauric Mullan is an associate actuarial consultant in Milliman's Dublin office. Pauric re-joined the Dublin practice in 2021 after completing a placement with us in 2019.

Professional Work Experience

Pauric's experience is primarily in the life assurance field in both the Irish domestic and cross-border life assurance and reinsurance markets.

His expertise includes valuation and financial reporting; developing, maintaining and validating actuarial modelling systems; risk management; mergers and acquisitions; and other consulting work.

He has worked on a variety of portfolios of business, including unit-linked business and non-linked business.

Pauric has extensive actuarial modelling experience. He has been involved in the development, ongoing maintenance, and validation of actuarial models in MS, MS Access, Prophet, Python, and RAFM.

Pauric has in-depth Solvency II knowledge and experience and has supported clients in meeting Solvency II requirements across the three pillars.

He is also keeping up to date on developments in the areas of actuarial modelling and data science and is currently sitting for his professional exams.
