Current Responsibility

John Mulvihill is a senior consultant in Milliman's Dublin office.

John joined the Dublin practice in 2007.

Professional Work Experience

John's experience is primarily in the life assurance field in both the Irish domestic and cross-border life assurance markets.

His expertise includes valuation and financial reporting, developing, maintaining and validating actuarial modelling systems, capital modelling, financial projections, and other consulting work.

He has also worked with the Actuarial Function for a range of companies, selling unit-linked, variable annuity, PPI and non-linked business. He has worked with both direct writers and reinsurers.

He has supported a number of companies in the implementation of Solvency II and has been involved in all aspects of Solvency II, including calculation of the technical provisions and SCR, documenting methodologies and assumptions, and preparing reports.

He has prepared and reviewed various Solvency II policies and has supported companies with Pillar 3 reporting requirements.

Professional Designations

Fellow, Society of Actuaries, Ireland (FSAI)

Education

Bachelor of Science in Financial and Actuarial Maths, Dublin City University
