

LAUREN MURPHY

Principal and Director, Identified Client Implementations

lauren.murphy@milliman.com

+1 207 772 0046

Current Responsibility

Lauren Murphy oversees IntelliScript's identified client implementations. Lauren has 28 people reporting directly and indirectly to her. The teams she manages include client project management, technical operations, Irix development, and quality assurance. The identified product suite, which Lauren supports, brings in approximately 85% of IntelliScript's overall revenue.

Professional Work Experience

In 2010, Lauren began her professional career. She was hired by Milliman as an analyst. Over the years, she has held various roles including Project Manager, Product Manager and now Director of Client implementations.
