+1 404 254 6746

Current Responsibility

Anthony Nardis is a consulting actuary in the Atlanta office of Milliman. He assists clients in the designing, funding, and financial reporting of their retirement programs.

Professional Work Experience

Anthony has worked in the retirement consulting field since 1998 and served as a senior associate at Mercer where he specialized in qualified and non-qualified defined benefit plans. He has extensive experience in the following areas:

- Conducting actuarial valuations for public and corporate defined benefit and OPEB plans
- Developing cost projections to evaluate future business conditions and their impact on benefit programs
- Assisting plan sponsors with plan design strategies and cost implications
- Providing financial accounting for retiree medical and non-qualified executive pension plans
- Analyzing and implementing pension de-risking projects, including plan termination and lump sum windows

Professional Designation

- Associate, Society of Actuaries
- Enrolled Actuary under ERISA
- Member, American Academy of Actuaries

Education

BBA, Actuarial Science, Georgia State University
