Current Responsibility

Ben Newton is the CEO of Milliman's Pluritem Health Practice.

Professional Work Experience

With over 25 years of experience in the enterprise software market, Ben has led product and sales teams through three successful IPOs. In 2021, he co-founded Pluritem Health with John Clark, a company focused on unlocking clinical data and enhancing healthcare services. Under his leadership, Pluritem Health developed a robust clinical platform and was acquired by Milliman in August 2024. Ben now heads the Milliman Pluritem Health Practice, which offers the Milliman CareFlowIQ clinical data platform.
