

IAN O DONNELL

FSAI

Senior Actuarial Manager

ian.odonnell@milliman.com

Current Responsibility

Ian O'Donnell is a Senior Actuarial Manager in Milliman's Dublin office. Ian joined the practice in September 2022.

Professional Work Experience

Ian has experience in both the life and non-life fields, working on business portfolios, including unit-linked and non-linked business in domestic and cross-border markets. Ian's expertise includes valuation and financial reporting, pricing and product development, systems development and data integration, risk management, and other consulting work. Prior to joining Milliman, Ian managed the Product and Pricing department in Mapfre Asistencia, worked as a pricing Actuary in Vhi's Health and Diversified Business teams, and worked in New Ireland Assurance in the Product Management and Actuarial Services teams.

Professional Designations

Fellow of the Society of Actuaries in Ireland

Education

Bachelor of Science in Actuarial Mathematics, Dublin City University
