

KATHERINE A. PIPKORN

FCAS, MAAA

Consulting Actuary

katie.pipkorn@milliman.com

+1 262 923 3661

Current Responsibility

Katie Pipkorn is a consulting actuary with the Milwaukee office of Milliman. She joined the firm in 2013.

Professional Work Experience

Katie's area of expertise is property and casualty insurance with expertise in ratemaking, predictive analytics, and loss reserving. She has experience in various property and casualty lines of business, most notably personal lines, professional liability, and credit risk. Katie has provided actuarial assistance to risk-bearing entities in both the private and public sectors. She has assisted clients with assignments, including ratemaking, multi-state regulatory filings, self-insurance funding, disparate impact estimating, estimation of the impact of proposed legislation, preparation of actuarial opinions, and loss reserving.

Professional Designations

- Fellow, Casualty Actuarial Society
- Member, American Academy of Actuaries

Education

BA (with honors), Washington University in St. Louis
