

EVAN POLLOCK

FSA

Senior Actuarial Manager

evan.pollock@milliman.com

+1 262 443 2169

Current Responsibility

Evan Pollock has been with Milliman more than 10 years. His experience spans several market areas, including long-term care insurance, Medicaid, and commercial health insurance. He specializes in pricing, reserving, experience and feasibility analysis, Statement of Actuarial Opinion work, capitation rate setting, and model development.

Professional Work Experience

Specific examples of his work include:

- Capitation rate setting, negotiation support, and other analysis for a large state Medicaid program
- Development, maintenance, and client training of the [Milliman CORAL](#) product
- Pricing for several individual, small group, large group, self-funded, and level-funded insurance plans on behalf of commercial insurers, including filing preparation
- Reserving and long-term cash flow projections for several private long-term care insurance issuers
- Feasibility studies and actuarial analysis for several proposed and existing public long-term care insurance programs (including WA Cares Fund, the first-of-its-kind state-run, long-term care social insurance program)

Professional Designations

- Fellow, Society of Actuaries, 2020
- Member, American Academy of Actuaries, 2016

Education

University of Wisconsin, Madison, WI, BBA, 2015
