Current Responsibility

Rebecca is an Enrolled Actuary in the Philadelphia, PA, Employee Benefits Practice of Milliman. She joined the firm in 2006.

Professional Work Experience

Rebecca serves both private and public sector clients regarding their defined benefit pension plans and post-retirement medical and life plans. Client assignments include actuarial valuations for minimum funding and employer accounting under ERISA, FASB, and GASB standards, cost studies, plan terminations, and government filings.

Rebecca has extensive experience working on special projects such as experience studies, projections of funding and accounting, lump sum windows, and DB to DC replacement calculations. Rebecca serves as an expert on Milliman's valuation systems committee and educates other consultants and analysts about the use of the valuation system.

Rebecca also serves as the filing coordinator and system expert for all government filings for the Philadelphia Employee Benefits Practice.
