Current Responsibility

Jonathan Sarteel is a consultant in the Amsterdam office of Milliman. He joined the firm in 2023. Prior to working at Milliman, Jonathan worked as an actuarial consultant at KPMG Belgium for over two years.

Professional Work Experience

Jonathan has been in the insurance sector for more than two years, during which time he worked on several projects in Brussels and Amsterdam. In his roles, he has been involved in ORSA reporting, actuarial studies, Python implementation, M&A valuations, and actuarial audits.

Education

- Master of Actuarial and Financial Engineering, KULeuven, Belgium.
- Master in Mathematical Engineering, UCLouvain, Belgium.
