Current Responsibility

Julia Shelton is a senior pharmacy management consultant with the Milwaukee office of Milliman. She joined the firm in 2023.

Professional Work Experience

Julia is a licensed pharmacist with over 11 years of experience in the pharmacy industry. Her areas of expertise include pharmacy benefit management for large employers and health systems, rebate and formulary strategy, clinical and plan performance analytics, pharmaceutical pipeline impacts, medical drug strategy, and Medicare Part D requirements and regulations. She supports clients with payer-perspective formulary and rebate insights and strategic pipeline preparations.

Prior to joining Milliman, Julia worked as the clinical director of strategic product development at a large employer collaborative, where she created innovative cost savings solutions for large employers and health systems and assisted employer clients in evaluating and negotiating pharmacy benefit contracts.
