Current Responsibility

Vanessa Vaag is a principal and consulting actuary with the Little Falls, New Jersey Employee Benefits Practice of Milliman. She joined the firm in 1994.

Professional Work Experience

Vanessa specializes in corporate retirement plan consulting. Areas of expertise include all aspects of design, administration, valuation, and consulting on defined benefit plans, supplemental executive plans, and retirement incentive programs. Client assignments include ongoing plan valuation and administration, GAAP and SSAP financial accounting, governmental CAS valuations, budgeting and cost projections, legislative compliance, and design and redesign of benefit plans. She has extensive experience with asset-liability forecasts and de-risking strategies, plan terminations, and is an active member of Milliman's international merger and acquisition team.

Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries
- Enrolled Actuary, ERISA

Education

BS (summa cum laude), Mathematics and Economics, Muhlenberg College

Presentations and Publications

Vanessa regularly speaks before professional and client groups. Her clients have included public entities, hospitals, and other not-for-profit organizations, professional organizations, and international corporations.
