+27 79 492 0464

Current Responsibility

Chris Van der Merwe is a consultant in the Milliman office of Johannesburg. He is the lead consultant on non-life insurance and employee benefit valuations for Milliman in Africa.

Professional Work Experience

Prior to joining Milliman, Chris spent five years working for a large non-life insurer in the industry.

Prior to that he was a healthcare and employee benefits actuarial consultant.

His expertise includes the following:

- Insurance financial reporting (IFRS and SAM)
- Head of Actuarial Function services
- Reinsurance and capital adequacy optimisation
- Licence applications, including micro insurance licence applications
- Audit support
- Independent model validations
- Employee benefit valuations (IFRS2 / IAS19)

Professional Designations

Fellow, Actuarial Society of South Africa (ASSA)

Short-term insurance practicing certificate holder

Education

BSc (Hons) Actuarial Science, University of Pretoria
