Current Responsibility

Tim Vosicky is a principal and consulting actuary in the Chicago Casualty Practice of Milliman. He joined the firm in 2010. He provides project management experience across many types of projects, varying scopes, and tight timelines.

Professional Work Experience

Tim's area of expertise is property and casualty insurance, including loss reserving and ratemaking.

He has extensive experience in commercial lines, including workers' compensation, professional liability, general liability, auto liability, and property.

Tim is a Milliman expert for warranty programs and service plans. This includes consulting projects for products ranging from electronics to vehicles.

Tim's clients include Fortune 500 corporations, healthcare institutions, privately held companies, public entities, and commercial insurers.

Time routinely performs in-depth reviews and analyses, including:

- Unpaid claim liability
- Funding studies
- Confidence levels
- Retention analysis
- Allocation studies
- Feasibility
- Pricing analysis
- Mergers & acquisitions

Outside of his work at Milliman, he has been a member of the CAS Exam Committee since 2016.

Professional Designations

- Fellow, Casualty Actuarial Society
- Member, American Academy of Actuaries

Education

BS, Actuarial Science, University of Illinois at Urbana-Champaign
