

JAKE WAGNER

ASA, MAAA

Actuarial Manager

jake.wagner@milliman.com

Main +1 262 784 2250 | Office +1 262 432 4820

Current Responsibility

Jake Wagner is an actuarial manager with the Milwaukee office of Milliman. He joined the practice in 2019.

Professional Work Experience

Jake works in Milliman's healthcare practice and has gained experience with a variety of clients. His core areas of focus are in long-term care insurance and Medicare Advantage. In the Long Term Care market, he supports clients' valuations, rate increase filings, and actual-to-expected experience analyses.

Jake is a user of MG-ALFA, Milliman's asset-liability modeling platform. He also has experience with programming languages, such as SAS and R.

Professional Designations

- Associate, Society of Actuaries
- Member, American Academy of Actuaries

Education

BS, Actuarial Science, Ohio State University
