

WENDY YUWEN WANG

FSA, MAAA

Consulting Actuary

wendy.wang@milliman.com

Current Responsibility

Wendy Wang is an actuary in the Seattle office of Milliman. She assists clients with pricing analysis and modeling activities. She joined the firm in 2020.

Professional Work Experience

Since joining Milliman, Wendy has supported various projects, including nonguaranteed element adjustments for universal life products, pricing and reserve analysis, experience analysis, model validation, and M&A. Prior to joining Milliman, Wendy worked at an insurance company in New York, where she rotated between different roles and gained experience with life pricing analysis and annuity assumption development. Wendy is skilled and experienced working in MG ALFA, Integrate, Excel, and VBA.
