

Jundie Wei

Quantitative Analyst
Financial Risk Management

CURRENT RESPONSIBILITY

Jundie is a quantitative analyst with Milliman's Financial Risk Management practice in Chicago. She is part of a team that prices and manages variable annuity hedging programs for U.S. and international companies. Jundie also works on analyzing embedded values and capital requirements for various annuity products.

EXPERIENCE

Jundie has experience in using nested stochastic models to analyze hedge effectiveness and perform financial projections on a statutory or GAAP basis for variable annuity businesses. Prior to joining Milliman, she interned at AIA Hong Kong, HSBC Australia, and AEGON U.S.

EDUCATION

- BS, Actuarial Science, University of Illinois at Urbana-Champaign
