Current Responsibility

Aoibhin Wood is an associate consultant in Milliman's Dublin office. Aoibhin re-joined the Dublin practice in 2023 after completing work placement with the firm in 2022.

Professional Work Experience

Aoibhin's experience is primarily in the life, health, and non-life insurance fields in both the domestic and cross-border (re)insurance markets.

Her expertise includes valuation and financial reporting, developing, maintaining, and validating actuarial modelling systems such as Python, risk management, mergers and acquisitions, and other consulting work.

Aoibhin has in-depth Solvency II knowledge and experience and has supported clients in meeting Solvency II requirements across the three pillars. Aoibhin is involved in the regulatory technology services provided by Milliman. Her role involves monitoring regulatory updates, as well as managing the administration and training for Milliman's Solvency II compliance assessment tool. She keeps up to date on developments in the areas of Solvency II and the insurance market and has written briefing notes on these topics.

She also keeps up to date on developments in the areas of actuarial modelling and data science and is currently sitting her professional exams.
