

Junfeng Wu

FSA, MAAA
Consulting Actuary
Financial Risk Management

CURRENT RESPONSIBILITY

Junfeng is a consulting actuary with Milliman's Financial Risk Management practice in Chicago. He is currently responsible for the operation of dynamic hedging programs outsourced by large indexed annuities writers in the United States. He joined the firm in 2007.

EXPERIENCE

Prior to Milliman, Junfeng worked at a U.S. life insurance company for two and a half years. He was involved in financial reporting and cash-flow testing for equity-indexed annuities, as well as group life reinsurance administration.

Junfeng worked as a systems engineer in the semiconductor industry for seven years before starting his actuarial career.
