

# SEUNGOK YOON

Office Manager

seungok.yoon@milliman.com

+82 2 2020 2299

## Current Responsibility

Seungok is a manager with the insurance accounting consulting practice of the Seoul office of Milliman. She joined the firm in February 2007.

## Professional Work Experience

Seungok has more than 14 years of experience in the consumer product industry. She served as leader of the finance team for her previous company, with responsibility for financial reporting in accordance with local and U.S. accounting principles. She provided strategic and professional management on all finance and accounting matters.

With a specialty in planning and analysis, Seungok has worked on budgeting, effective internal control systems, legal and tax requirements, and risk management. She also has experience in treasury functions, inventory control, working capital management, and cash-flow forecasting. She has handled capital project authorization and participated in product pricing. She works with department heads to improve business efficiency and profitability.
