

M MRITYUNJAY

DB Director of Operations

m.mrityunjay@milliman.com

+91 124 464 1537

Current Responsibility

Mrityunjay is an operations manager in the Employee Benefits practice of Milliman in New Delhi. He joined the firm in 2008. He works in the Defined Benefit Administration group, which provides services to defined benefit pension plans. He is responsible for daily operations of his team, including data management, forms processing, pension calculations, payment processing, and payment reconciliation. He is also responsible for basic training of staff and for monitoring administrative processes and procedures to ensure accuracy and timeliness in the delivery of services.

Professional Work Experience

Mrityunjay has been in the Employee Benefits field since 2004. Prior to joining Milliman, he worked in Mercer's employee benefits group administering defined benefit, defined contribution, and health and welfare plans. He started his career with Hewitt as a transaction accuracy auditor.

Professional Designations

Accredited Pension Administrator (APA), National Institute of Pension Administrators.
