Current Responsibility

Jake Pringle is a principal and consulting actuary in the Houston office of Milliman. He also leads the annuity placement team at Milliman.

Professional Work Experience

Jake has worked in the retirement consulting field since 1997. His extensive experience includes:

- Leading the Annuity Placement Team at Milliman, guiding clients through de-risking projects and plan terminations
- Co-authoring the Milliman Pension Buyout Index, which monitors the annuity buyout market
- Preparing actuarial valuations as required under ERISA and the Internal Revenue Code
- Developing cost projections to evaluate future business conditions and their impact on benefit programs
- Providing actuarial services required under ASC 715-20, 715-30, and 715-60
- Preparing OPEB valuations as required under GASB 74/75
- Preparing financial statement disclosures as required under GASB 67/68
- Analyzing and reviewing plan design strategies
- Administering plans, including benefit certifications, as well as filing annual returns with regulatory agencies, and reviewing plan amendments

Professional Designations

- Enrolled Actuary under ERISA
- Member, American Academy of Actuaries

Education

BA (honors), Mathematics, concentration in Actuarial Science,
University of Texas, Austin
