Current Responsibility

Jake Pringle is a principal and consulting actuary in the Houston office of Milliman. Most of his experience lies in the ongoing administration of retirement plans.

Professional Work Experience

Jake has worked in the retirement consulting field since 1997, and his extensive experience includes:

- Preparing actuarial valuations as required under ERISA and the Internal Revenue Code
- Developing cost projections to evaluate future business conditions and their impact on benefit programs
- Providing actuarial services required under ASC 715-20, 715-30, 715-60
- Preparing OPEB valuations as required under GASB 74/75
- Preparing financial statement disclosures as required under GASB 67/68
- Analyzing and reviewing plan design strategies
- Administering plans, including benefit certifications, as well as filing annual returns with regulatory agencies, and reviewing plan amendments
- Maintaining real time interactive computer models

Professional Designations

- Enrolled Actuary under ERISA
- Member, American Academy of Actuaries

Education

BA (honors), Mathematics, concentration in Actuarial Science, University of Texas, Austin
