| Date of Issue | Enquirer Category | Nature of Issue | Response | Status |
|---------------|-------------------|---|---|--------|
| 20/07/2025 | Local resident | Noisy works occurring outside approved hours. | <p>Mirvac undertook the relocation of tower crane 2B which was completed and commissioned on Saturday the 19th of July 2025.</p> <p>Following completion of the relocation works, rigorous compliance inspections are undertaken to ensure the works have been completed to the strictest safety and compliance standards. Following the inspections, further works were required at the instruction of the supervising structural engineer. The essential works were completed on Sunday 20th July 2025. The noise observed was works associated with the tightening of the bolts to the crane.</p> <p>Mirvac acknowledges the essential safety works were undertaken outside of permitted construction hours; however, the nature of the works required the works to be completed as a priority.</p> <p>Mirvac apologised for any inconvenience caused, and remains committed to ensure the construction of the Harbourside project is undertaken to the highest safety and compliance standards.</p> | Closed |
