

THE VILLAGE, MENANGLE

Community Update

15 December 2025

Dear Resident/Occupier,

RE: THE VILLAGE, MENANGLE - PEDESTRIAN BRIDGE NOW OPEN

We are excited to share that the pedestrian bridge over the Southern Highlands Railway Line is now open to the public!

This much-needed safe crossing provides a dedicated 2.5-metre-wide segregated path with handrails, located on the northern side of the Station Street bridge. The bridge connects to existing path networks via accessible ramps on either side, creating a safe and reliable journey for everyone in Menangle Village.

Transport for NSW will be the owner of the bridge and will manage its ongoing maintenance.

We're thrilled to reach this milestone just in time for the holiday season, giving you and your families the opportunity to enjoy this new connection over the break. And we thank you for your patience throughout this process.

To mark the moment, there will be a coffee cart near the pedestrian bridge off Stevens Road 10am until 12pm today. Please feel free to come by and enjoy a complimentary drink.

Early in the new year, we'll also be hosting a community celebration to officially open the bridge – a fantastic opportunity to connect with neighbours, meet new residents, and celebrate this exciting addition.

Thank you once again, and we hope to see you enjoying the bridge soon!

Yours sincerely,
Menangle Project Team
The Village, Menangle
