Nordfab Quick-Fit®
Clip-together Ducting

NORDFAB Ducting

- **Easy & fast to install**
  Just clip together, no rivets, screws or welding needed. Installs in seconds with standard QF Clip, cutting installation and downtime by more than 45%.
- **Ideal for dust, mist and fume collection**
- **Adaptable to your existing ductwork**
- **Leak-resistant longitudinal groove seams**
  - Groove seams reduce leakage, increasing system efficiency and improving energy efficiency.
  - Smooth, fully lockformed seams snags and possible “bug harbors”.
- **Easy clean**
  Easy to remove, clean, and reinstall - without tools
- **Re-useable**
  Easy to modify or relocate as your needs change
- **Galvanised and Stainless Steel**
- **Nordfab provides:**
  - Local dealer support
  - Quick delivery — most orders can be delivered within 4 days
  - Order tracking and lower freight costs
