ReCharge NY

Control Costs, Keep Jobs and Get a Team of Energy Experts

***Find the Power to Succeed* with ReCharge NY,** one of New York State's signature economic development programs, available statewide from the New York Power Authority (NYPA). ReCharge NY changes the equation between companies and energy costs—for the better. Seven-year contracts secure lower-cost pricing for the long-term, allowing qualified businesses and nonprofits to focus on keeping or adding good jobs, strengthening operations and delivering excellence. With your team of NYPA energy experts, ReCharge NY opens the door to a suite of cost-saving energy programs and innovative clean energy solutions—helping businesses thrive in New York State.
