

robert carnevale, whitesboro, NY.

I OWN PROPERTY ON THE RESERVOIR AND OVER THE YEARS HAVE SEEN THE USE OF AND MY PROERTY VALUE DECLINE, WITH THE LOW WATER.

I ALSO HAVE HAD MANY CONTACTS WITH STATE AND LOCAL OFFICIALS ABOUT MY CONCERNS AND THE ANSWERS THAT WERE GIVEN WERE A JOKE AND PASSING THE BUCK.

I HAVE LOST PROPERTY VALUE, LOSE OF USE OF THE LAKE, COSTS FOR BOATS BEING STRANDED IN MUD, AND DAMAGE, EXTRA WORK TO OWN AND MAINTAIN THIS PROPERTY. LOSE OF USE TO PROPERTY DUE TO WATER LEVELS IN DUG WELL TO LOW TO USE.

THIS IS JUST THE BEGINNING TO WHAT LIES AHEAD.

THE DANGERS THAT I HAVE BROUGHT UP TO LOCAL OFFICIALS ABOUT THE LARGE ROCKS AND SAND BARS WHEN WATER LEVELS ARE LOW SHOULD BE MARKED TO PREVENT INJURY, WAS TOLD THAT THIS WOULD BE SHUT DOWN FIRST TO RECREATION USE.

SAD TO THINK THAT TO PREVENT INJURY OR A DEATH IS NOT ALL THAT IMPORTANT FROM ARE OFFICIALS INCHARGE.

ALSO ABOUT THE TAX STRUCTURE OF THE PROPERTIES ON THE RESERVOIR, MOST ARE BASED ON LAKE RIGHTS, LAKE ACCESS, LAKE FRONT, LAKE USE.

THIS IS NOT WHAT WE ARE GETTING OR PAYING FOR IN ARE TAXES.

ALL TOWNSHIPS SHOULD READJUST THE TAX STRUCTURES ON THE LAKE TO PROPERTY OWNERS.

THERE ARE MANY PEOPLES LIVES NOT BEING CONSIDERD HERE, ALSO TO INCLUDE THE HABITAT OF WILD LIFE BIRDS, FISH AND OTHERS.

I MYSELF HAVE CONTACTED MANY LOCAL AND STATE OFFICIALS INCLUDING THE GOVERNOR, THE WATER AUTHORITY, POWER AUTHORITY, AND THE CANAL CORPORATION. YES TOLD THEM ALL MY CONCERNS AND ISSUES, NOTHING DONE.

SO MAYBE YOU CAN SHED SOME LIGHT ON THIS AND HELP THE PROPERTY OWNERS AND THE MANY FAMILIES THAT THIS IS HURTING AND DESTROYING.
