About the New York State Canal Corporation

New York's Canal system includes four historic canals: the Erie, Champlain, Oswego, and Cayuga-Seneca. Spanning 524 miles, the waterway links the Hudson River with the Great Lakes, the Finger Lakes and Lake Champlain. The canals form the backbone of the Erie Canalway National Heritage Corridor and connect hundreds of unique and historic communities.

The New York State Canal Corporation is a subsidiary of the New York Power Authority.
