I. PURPOSE

These Guidelines for the Disposal of New York Power Authority Personal Property (hereinafter Guidelines), which comply with Title 5-A, Article 9 of the Public Authorities Law, establish the Authority's policy and instructions regarding the use, award, monitoring and reporting of the disposal of Personal Property. In addition, the Guidelines designate a Contracting Officer who is responsible for the Authority's compliance with, and enforcement of, the Guidelines.

II. DEFINITIONS

Contracting Officer- the officer or employee of the Authority who shall be appointed by resolution of the Authority's Board of Trustees to be responsible for the disposition of Personal Property. The "Contracting Officer" is hereby designated to be the Senior Vice President – Strategic Supply Management, or equivalent(s). The Authority's Contracting Officer shall not be responsible for compliance for dispositions of the Authority's personal property conducted by another state entity authorized to dispose of the Authority's personal property under the Public Authorities Accountability Act (PAAA) or as otherwise authorized by law.

Dispose or disposal - the transfer of title or any other beneficial interest in Personal Property in accordance with these Guidelines.

DTP – Director Transactional Procurement

Fair Market Value – the estimated dollar amount that a willing buyer would pay to a willing seller for the Property in an arms-length transaction in the appropriate marketplace and under similar circumstances. Fair Market Value may be determined by consulting industry-recognized sources, contacting original suppliers, depreciation analysis, appraisals, fair market valuations by public auction or other methods of valuation generally accepted in the industry in which such Property is utilized, as may be approved by the Contracting Officer or authorized designee.

PDC - Property Disposal Coordinator

Personal Property- Property owned by the Authority regardless of value, and any other interest in such Property, to the extent that such interest may be conveyed to another person for any purpose, excluding an interest securing a loan or other financial obligation of another party. For the purposes of these Guidelines, Property may include, but is not limited to, materials, tools, equipment, or vehicles.

Relative – any person living in the same household as the Authority employee or any person who is a direct descendant of the Authority employee's grandparents or the spouse of such descendant. The term Relative may include, but is not limited to, the relationship of spouse, child, parent, sister, brother, grandparent, grandchild, aunt, uncle, cousin, niece, nephew,

stepchild, stepparent, stepsister, stepbrother, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law or son-in-law.

III. OBJECTIVE

The objective of these Guidelines is to identify Authority personnel responsible for authorizing the disposal of Personal Property owned by the Authority and to ensure that the Authority receives fair and reasonable value for such Property. The transfer or sale of Personal Property shall be accounted for in accordance with the Authority's Corporate Accounting Policy No. CAP 4.3 "Accounting for Materials and Supplies Inventory," and the Authority's procedures for the disposal of Personal Property implementing these Guidelines.

IV. TRANSACTIONS NOT COVERED

These Guidelines do not apply to any of the following transactions:

- A. Disposal of Real Property interests;
- B. Exchange of Property with other utilities or power plant owners, where such owners will provide an identical or in-kind replacement;
- C. Transfer/re-deployment of Property from one Authority facility to another Authority facility or to Canal Corporation;
- D. Disposal of natural gas that is subject to the Authority's Energy Resource Management Fuels Procedures.

V. DESIGNATION OF PROPERTY DISPOSAL COORDINATORS (PDC)

The Contracting Officer shall be responsible for the Authority's compliance with, and enforcement of, the Guidelines, including through development and implementation of internal controls (such as written procedures and supporting tools).

The individual responsible for disposal of Personal Property greater than \$5,000 at the Authority's facilities will be the Director Transactional Procurement (DTP) or equivalent. For purposes of Personal Property disposal, the DTP reports directly to the Contracting Officer or authorized designee.

The Manager - SSM Site Manager at each facility acts as the local Property Disposal Coordinator, who is responsible for Property disposal less than or equal to \$5,000 and assists the DTP with all other disposals at their facility or location (Facility PDC). The Facility PDC reports to the DTP.

The DTP shall act as the Personal Property Disposal Coordinator(s) for the White Plains and other corporate offices. For purposes of Personal Property disposal, the DTP will confer, interface with and report to the Contracting Officer or authorized designee.

The Director of Fleet Operations (DFO) or equivalent(s) or authorized designee is responsible for the disposal of vehicles and rolling equipment. The DFO reports directly to the Senior Director Asset Performance, or authorized designee.

If appropriate, the responsible Facility PDC should confer (by oral or written communication) with the DTP and should confer (by oral or written communication) with the Contracting Officer or authorized designee to determine if a "centralized" sale of Property, as outlined in Article VII, is appropriate. If agreed, the responsible Facility or DTP (collectively hereinafter referred to as PDC) should arrange for shipment of the Property to be sold from the site to the sale location. If a centralized sale is not appropriate, the responsible PDC should proceed in accordance with the "decentralized" procedures, as outlined in Article VIII.

VI. DISPOSAL OF AUTHORITY PERSONAL PROPERTY

Except for Disposals pursuant to Article VII, Article XII and Subsection VI.A.4 of these Guidelines, whenever practicable, the responsible PDC shall solicit proposals from qualified bidders, to purchase the Property to be disposed of, and will maintain records of such solicitations. The PDC should use "Attachment A" attached hereto or an appropriate substitute for solicitations under this Article VI.

A. DISPOSAL METHODS FOR PERSONAL PROPERTY

1. For the purposes of these Guidelines, disposal methods may include, but are not limited to: sale (directly to the Buyer, through a third party, negotiation, advertised public auction that permits full and free competition consistent with the value and nature of the Personal Property or on any other centralized basis that achieves the same level of competition); return to the original equipment manufacturer or to the source; trade-ins or disposals as part of a competitive procurement; or disposal through the New York State Office of General Services (OGS). Provided, however, that no disposition of any Personal Property, which because of its unique nature or the unique circumstance of the proposed transaction is not readily valued by reference to an active market for similar Personal Property, shall be made unless an appraisal of the value of such Personal Property has been made by an independent appraiser and included in the record of the transaction. The Authority's Environmental, Health and Safety Division should be consulted, on a case-by-case basis, regarding disposal of items that may be considered hazardous waste.

2. Personal Property valued at less than \$1,000 may be donated or, when having an estimated resale value less than the cost of handling and sale, may be disposed of as scrap or junk.
3. Solicitation via telephone, e-mail and/or direct mailings may be used where the estimated Fair Market Value of the Personal Property to be disposed of does not exceed \$15,000. All bids must be submitted in writing on the forms or an appropriate substitute and in the manner prescribed by this procedure and by the date and time (the Bid Due Date) included in the solicitation.
4. All Disposals of Authority Personal Property in excess of \$15,000 shall be made after publicly advertising for bids except as provided in Subsection 5 below, using the following process:
 - a) the appropriate advertisement for bids (Attachment "B" or an appropriate substitute) shall be made at such time prior to the Disposal, through such methods, and on such terms and conditions as shall permit full and free competition consistent with the value and nature of the Personal Property. This may include advertisements in one or more of the following publications, depending on the nature of the Personal Property: local newspapers in the geographic area of the facility where the sale is taking place, trade journals, regional or nationwide publications (if the market for such sale is regional or nationwide), the New York State Contract Reporter, internet services or other communication outlets as appropriate;
 - b) all bids must be submitted in writing on the forms or an appropriate substitute and in the manner prescribed by these guidelines and by the Bid Due Date included in the solicitation;
 - c) where the value of the Personal Property exceeds \$5,000, all bid amounts shall be posted to the Authority's internet website or publicly disclosed at the time and place of the sale; and
 - d) the award shall be made with reasonable promptness by notice to the responsible bidder whose bid, conforms to the bid solicitation and is most advantageous to the Authority, price and other factors considered; however, any bid may be rejected when in the public interest to do so at the Authority's sole discretion.

5. Disposals of Personal Property may be negotiated or made by public auction without regard to Subsection 4 of this Section, but subject to obtaining such competition as is feasible under the circumstances, if:
 - a) the Personal Property involved has qualities separate from the utilitarian purpose of such Personal Property, such as artistic quality, antiquity, historical significance, rarity or other quality of similar effect that would tend to increase its value, or if the Personal Property is to be disposed of in such quantity that, if it were Disposed of under Subsection 4 of this Section, would adversely affect the state or local market for such Personal Property, and the estimated Fair Market Value of such Personal Property and other satisfactory terms of disposal may be obtained by negotiation;
 - b) bid prices after advertising therefore are not reasonable, either as to all or part of the Personal Property, or have not been independently arrived at in open competition;
 - c) the Disposal will be to the state or any political subdivision, and the estimated Fair Market Value of the Personal Property and other satisfactory terms of Disposal are obtained by negotiation;
 - d) under those circumstances permitted by Subsection 7 of this Section;
 - e) if the estimated or actual fair market value of the property does not exceed \$15,000; or
 - f) such action is otherwise authorized by law.
6. An explanatory statement shall be prepared of the circumstances of each Disposal by negotiation of any Personal Property which has an estimated Fair Market Value in excess of fifteen thousand dollars (\$15,000). In addition, an explanatory statement shall be prepared of the circumstances of each Disposal by negotiation of any Personal Property disposed of by exchange, regardless of value. Each such statement shall be transmitted to the Commissioner of General Services, the State Legislature, the State Comptroller, the Director of the Division of the Budget and the Authorities Budget Office, not less than ninety days in advance of such Disposal, and a copy thereof shall be preserved in the Authority's files.

7. No Personal Property in excess of five thousand dollars (\$5,000) owned or otherwise in the control of the Authority may be disposed or otherwise alienated for less than its Fair Market Value except if:
 - a) the transferee is a government or other public entity, and the terms and conditions of the transfer require that the ownership and use of the Personal Property will remain with the government or any other public entity;
 - b) the purpose of the transfer is within the purpose, mission or governing statute of the Authority; or
 - c) in the event the Authority seeks to transfer Personal Property for less than its Fair Market Value to other than a governmental entity, which Disposal would not be consistent with the Authority's mission, purpose or governing statutes, the Authority shall provide written notification thereof to the Governor, the Speaker of the Assembly, and the Temporary President of the Senate, and such proposed transfer shall be subject to denial by the Governor, the Senate or the Assembly. Denial by the Governor shall take the form of a signed certification by the Governor. Denial by either House of the Legislature shall take the form of a resolution by such House. The Governor and each House of the Legislature shall take any such action within sixty days of receiving notification of such proposed transfer during the months of January through June, provided that if the Legislature receives notification of a proposed transfer during the months of July through December, the Legislature may take any such action within sixty days of January first of the following year. If no such resolution or certification is performed within sixty days of such notification of the proposed transfer to the Governor, Senate and Assembly, the Authority may effectuate such transfer provided, however, that with respect to a below-market transfer by the Authority that is not within the purpose, mission or governing statute of the Authority, if the governing statute provides for the approval of such transfer by the executive and legislative branches of the political subdivision in which the Authority resides, and if the transfer is of Personal Property obtained by the Authority from that political

subdivision, then such approval shall be sufficient to permit the transfer.

- d) In the event a below Fair Market Value Personal Property transfer is proposed, the following information must be provided to the Authority's Board of Trustees and the public:
- 1) a full description of the Personal Property;
 - 2) an appraisal of the Fair Market Value of the Personal Property and any other information establishing the Fair Market Value sought by the Board of Trustees;
 - 3) a description of the purpose of the transfer and a reasonable statement of the kind and amount of the benefit to the public resulting from the transfer, including but not limited to the kind, number, location, wages or salaries of jobs created or preserved as required by the transfer, the benefits, if any, to the communities in which the Personal Property is situated as are required by the transfer;
 - 4) a statement of the value to be received compared to the Fair Market Value;
 - 5) the names of any private parties participating in the transfer and, if different than the statement required by subparagraph 4 of this Subsection, a statement of the value to the private party; and
 - 6) the names of other private parties who have made an offer for such Personal Property, the value offered and the purpose for which the Personal Property was sought to be used.
- e) Before approving the Disposal of any Personal Property for less than Fair Market Value, the Board of Trustees shall consider the information described in paragraph d of this Subsection and make a written determination that there is no reasonable alternative to the proposed below-market transfer that would achieve the same purpose of such transfer.

8. In cases where a Disposal of Personal Property in excess of five thousand dollars (\$5,000) is made without competitive bidding and where the proposed contract price for the Personal Property disposed of is less than Fair Market Value, a detailed explanation of the justification for making the Disposal without competitive bidding shall be prepared, and a certification shall be signed by the Chief Executive Officer and Chief Financial Officer of the Authority stating that they have reviewed the terms of such Disposal and have determined that it complies with applicable law and these Guidelines.

B. DISPOSAL OPTIONS IF NO BIDS OR NO ACCEPTABLE BIDS ARE RECEIVED

The appropriate PDC shall confer with the DTP and the Contracting Officer or authorized designee to decide (i) if re-soliciting is feasible; (ii) if shipment to a third-party contractor for Disposal would result in higher-priced proposals; (iii) if disposal by other methods would be appropriate; and/or (iv) if the Fair Market Value estimate requires review or adjustment, where:

1. the solicitation pursuant to Section VI.A does not produce any bids to purchase the Personal Property;
2. in the opinion of the Authority, the bids are not arrived at independently;
3. all bids are not reasonable in accordance with Section X. C; or
4. all bids received are less than the Authority's Fair Market Value estimate.

VII. CENTRALIZED DISPOSAL

A. Subject to the approval of the Contracting Officer or authorized designee and in accordance with Article VI of these Guidelines, in either the initial document authorizing the disposal or through a subsequent communication, Personal Property may be disposed of using any of the following methods:

1. Shipment of the material to a third-party vendor(s), selected by competitive bidding, which, pursuant to these Guidelines, will market the material for sale or dispose of such material in accordance with environmental and any other Authority requirements.
2. Consolidation of such Personal Property at one of the Authority's facilities or an offsite warehouse for the purpose of conducting a sale managed by Authority staff, possibly with the assistance of an outside contractor.
3. Participation in public auctions provided the advertisement for bids through such methods permits full and free competition consistent with the value and nature

of the Personal Property, as may be conducted through an independent auctioneer, online auction service, or another utility.

VIII. DECENTRALIZED DISPOSAL

A. The Regional Manager, Project Manager, or head of a Department or Division requiring disposal of Personal Property which they believe to be disposable, will submit to the responsible PDC a written description of the material, with the original price (if known), and estimate of the Personal Property's Fair Market Value (if available). If practical, a photograph of the material or equipment in question should be provided. Such submission shall be made to the responsible PDC for the location where the Personal Property is located.

B. If the responsible PDC, in conference with either the DTP or the Contracting Officer or authorized designee, as appropriate, determines that other Authority facilities may have an interest in the Personal Property, a notice should be sent to the other Authority facilities advising of its availability and requesting a response within a specified time frame. A record of the notice will be maintained by the responsible PDC. In the event that the responsible PDC and either the DTP or the Contracting Officer or authorized designee, as appropriate, determine there is no interest in such material at other Authority facilities, a written explanation should be prepared by the PDC to that effect and maintained in the file for that transaction.

C. If no response to the notice is received, the responsible PDC will solicit bids for the purchase of such Personal Property in accordance with these Guidelines.

IX. PARTIES PROHIBITED FROM BIDDING

A. All current and former employees of the Authority and relatives of such employees or third parties acting on behalf of such employees shall not be eligible to bid for the purchase of Authority Personal Property and are prohibited from subsequently acquiring it in any manner. Each bidder will be required, as part of their bid, to certify, by signing Attachment "A," that they are not a current or former employee of the Authority, is not related to any current or former employee of the Authority and is not acting on behalf of a current or former employee of the Authority or a relative of any such employee. No bid will be accepted unless accompanied by such certification.

B. The term "related to" as used in paragraph A above means the relationship of spouse, child, parent, sister, brother, grandparent, grandchild, aunt, uncle, cousin, niece, nephew, stepchild, stepparent, stepsister, stepbrother, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law or son-in-law.

X. EVALUATION OF PROPOSALS; AWARD OF CONTRACT

- A. Following the receipt of proposals for the Personal Property, the responsible PDC shall evaluate the proposals submitted and determine whether the highest of such proposals is reasonable, given the estimated Fair Market Value of the Personal Property.
- B. If the responsible PDC determines that the highest bid received is reasonable, the responsible PDC shall recommend to the Responsible Officer(s) or designee, as hereinafter defined in Article XI, that such bid be accepted, and upon the written approval of the Responsible Officer(s) or designee, the sale shall be made to the person offering such proposal. After obtaining all necessary approvals in accordance with Article XI "Authorization Levels," a Sales Agreement appended hereto (Attachment C) must be executed by the responsible Authority staff member and by the successful bidder prior to completion of the transaction. (See Section XI.C.)
- C. If either (a) the responsible PDC determines that the highest bid is not reasonable or (b) the Responsible Officer(s) or designee decline(s) to authorize the sale, the Personal Property will, except as provided in paragraph D below, be retained for future disposal in accordance with these Guidelines. Factors to be considered in determining whether a bid is reasonable include but are not limited to: adequacy of the estimate of the Fair Market Value, anticipated improved future market conditions, potential for other means of disposal or redeployment, financial viability of the bidder, and condition of the Personal Property.
- D. Notwithstanding any determination by the responsible PDC, the Responsible Officer(s) or designee, with the review and approval of the Contracting Officer, may direct the sale of the Personal Property to the person or firm submitting the highest bid.
- E. No Authority employee who is involved in the award of Authority grants or contracts, may ask any officer, director or employee of such current or prospective contractor or grantee to reveal: (a) the political party affiliation of the individual; (b) whether the individual or entity has made campaign contributions to any political party, elected official, or candidate for elective office; or (c) whether the individual voted for or against any political party, elected official or candidate for elective office.
- F. No Authority employee may award or decline to award any grant or contract, or recommend, promise or threaten to do so because of a current or prospective grantee's or contractor's: (a) refusal to answer any inquiry prohibited by Section E above or (b) giving or withholding or neglecting to make any contribution of money, service or any other valuable thing for any political purpose.
- G. No Authority employee may take part in any contracting decision involving the payment of \$1,000 or more: (i) to a Relative; or (ii) to any entity in which a Relative owns or controls 10% or

more of the stock of such entity (or 1% in the case of a corporation whose stock is regularly traded on an established securities exchange); or serves as an officer, director or partner of that entity. If a contracting matter arises relating to this Section G, then the employee must advise their supervisor of the relationship and must be recused from any and all discussions or decisions relating to the matter.

XI. AUTHORIZATION LEVELS AND SIGNING AUTHORITY

A. For the purposes of these Guidelines, the Responsible Officer(s) or designee will in each case review the appropriateness of the Fair Market Value estimate and the recommendation for contract award for disposal of the Personal Property. Responsible Officers or designee are designated as follows:

1. The Board of Trustees, if the Fair Market Value of the Personal Property is greater than \$1,000,000 or if the Disposal is for less than Fair Market Value in accordance with paragraph VI.A.6; or
2. The President or the Chief Operating Officer or equivalent(s), if the Fair Market Value of the Personal Property is up to \$1,000,000; or
3. The Executive Vice President and Chief Financial Officer or equivalent(s), if the Fair Market Value of the Personal Property is up to \$750,000; or
4. For Fleet-related transactions, the Executive Vice President – Operations or equivalent(s), if the Fair Market Value of the Personal Property is up to \$750,000; or
5. The Senior Vice President – Strategic Supply Management or equivalent(s), if the Fair Market Value of the Personal Property is up to \$500,000; or
6. For Fleet-related transactions, the Vice President – Operations or equivalent(s), if the Fair Market Value of the Personal Property is up to \$500,000; or
7. The DTP, if the Fair Market Value of the Personal Property is up to \$100,000; or
8. For Fleet-related transactions, the Director – Fleet Operations, if the Fair Market Value of the Personal Property is up to \$100,000; or
9. The responsible PDC, if the Fair Market Value of the Personal Property is \$5,000 or less.

B. For public auctions or similar centralized disposals, such authorization should be obtained prior to submitting Personal Property to auction based on the estimated Fair Market Value of the Personal Property.

1. For purposes of these Guidelines, the Director - Fleet Operations (DFO) or equivalent(s) and DTP are authorized to sign Disposal Sales Agreements based upon the provisions of Section XI.A above whereby the DFO is authorized to sign fleet-related sales agreements and the DTP may sign both fleet and non-fleet sales agreements.
2. For decentralized disposals, such authorization should be obtained prior to signing of Sales Agreement or award of contract, in accordance with the Authorization Levels set forth in Section XI.A. Sales Agreements for individual disposal transactions through a decentralized sale should be signed in accordance with the limits set forth in the Authority's Expenditure Authorization Procedures.
3. The foregoing provisions of this section shall not apply to the sale of energy and fuel. Such authorization shall be governed by the transaction authorization limits for energy and energy-related financial transactions, as adopted by the Authority's Board of Trustees.

XII. OTHER METHODS FOR DISPOSAL OF PERSONAL PROPERTY

A. Disposals as Part of a Competitive Procurement

These Guidelines are not intended to restrict disposals as part of a competitive procurement, including trade-ins, where the procurement is competitively bid and awarded in accordance with the Authority's Guidelines for Procurement Contracts and Fair Market Value can be obtained for the Personal Property. Any such proposed disposal must be included as part of the solicitation of bids for the procurement. The solicitation must also include an estimated Fair Market Value of the Personal Property or minimum bid amount. The disposal or trade-in value must be stated in the proposals from bidders. When disposing of Personal Property as part of a competitive procurement, the Authority may consider the cost difference between the accepted proposal and the next lowest responsive proposal as part of the consideration for the disposal of the Personal Property.

B. Return to the Original Equipment Manufacturer (OEM) or to the Source

For Personal Property with a Fair Market Value of \$15,000 or less, return of materials to the OEM or the source is permissible provided that the Authority receives full value for any materials equal to the price paid by the Authority or the estimated Fair Market Value of the Personal Property. In the event a re-stocking fee is charged by the OEM or the source, the DTP or the Contracting Officer or authorized designee, as appropriate, shall be consulted to determine if such a re-stocking fee is reasonable and if there are other opportunities for sale of such material. Approval of all such returns to the OEM or the source when a re-stocking fee is charged, must be in accordance with the Authorization Levels delineated in Section XI.A.

C. Disposal through the New York State Office of General Services (OGS)

The Authority may utilize OGS for Disposal of Authority-owned Personal Property including on-line disposal methods offered by OGS. In addition, in accordance with New York State law, surplus computers and related accessories, surplus office furniture, and other equipment may, with the approval of the Contracting Officer or authorized designee, be transferred to OGS for disposition, in the case of computers and accessories to school districts located near Authority offices or operating facilities, or in the case of office furniture and office equipment, to other state entities. Disposal of these items in this manner represents the best value to New York State in lieu of attempted re-sale of such materials.

XIII. METHODS OF PAYMENT

The proceeds from the sale of Personal Property in the form of cash or a certified check made payable to the Authority must be forwarded to the Authority's Treasurer by the Facility PDCs and to the Authority's Controller's Office by the DTP.. In certain cases, involving a transfer of Personal Property to other state agencies or authorities, the performance of documented services to the Authority equal to or greater in value to the Fair Market Value of the Personal Property, will serve as payment for such Personal Property. The authorization limits of Article XI shall apply to such transactions.

XIV. REPORTING REQUIREMENTS

- A. The Authority shall publish, not less frequently than annually, a report of all Personal Property having a FMV in excess of \$5,000 that was disposed of during the reporting period, including the full description, price (if any) received and the name of the purchaser for all such Personal Property disposed of by the Authority during such period. Such report shall be prepared in conjunction with the report required by the Authority's "Guidelines for the Disposal of New York Power Authority Real Property."
- B. Such report, as approved by the Board of Trustees, shall be submitted to the State Comptroller, the Director of the Division of the Budget, the Commissioner of General Services, the State Legislature and the Authorities Budget Office.
- C. These Guidelines, as approved by the Trustees, shall be reviewed and approved annually by the Authority's Board of Trustees. On or before the thirty-first day of March in each year, the Authority shall file with the State Comptroller a copy of the Guidelines most recently reviewed and approved by the Board of Trustees, including the name of the Authority's designated Contracting Officer. At the time of filing such Guidelines with the Comptroller, the Authority shall also post such Guidelines on the Authority's internet website and maintain such Guidelines on the website.
- D. An explanatory statement shall be prepared and submitted to the parties as set forth in Subsection VI.A.6 for the disposal by negotiation of Personal Property over \$15,000 or when real

property and related Personal Property are disposed of by exchange, regardless of value. Property of any value related to the disposal of Real Property by exchange, or where part of the consideration received is real property.

- E. Staff from the Business Services Business Unit, or equivalent(s), prepare and present ongoing reports regarding disposals of Personal Property at regularly scheduled Board of Trustee Governance Committee meetings.

The Authority may be called upon periodically to submit information regarding the Disposal of Personal Property to organizations implementing the PAAA or other statutes regulating the disposal of Personal Property, such as the Authorities Budget Office through the Public Authorities Reporting Information System (PARIS).
