

**Mr**  
**Chris Chisman, BEng, MInstR,**

**Technical Director**

## **TEV Ltd (Marstair & Quartz)**

I joined TEV Ltd as a Design Engineer 1998 and have been a company director for 10 years. My responsibilities include providing strategic direction on product legislation and new product development. I am member of the IOR and the vice chair of the BRA (British Refrigeration Association) equipment / component section and a member of the BRA council at FETA
