

# START:HUB

## Join the international Start-up Area in Hall 8

Three reasons for your participation in Chillventa:

**Exhibit your innovative products, solutions, ideas and services!**

Chillventa is the world's leading exhibition for refrigeration technology and the international meeting place for refrigeration, AC, ventilation and heat pump experts.

**Benefit from outstanding location!**

The international Start-up Area is located in hall 8, close to the passage to hall 7 – a very well-frequented area.

**Connect with industry experts, meet new customers and cultivate existing contacts!**

The core topics in 2026 are sustainability, energy performance, digitalisation, refrigerants and much more.

### Participation requirements:

- Your company is younger than 10 years
- You are not based in Germany
- You display goods in the field of refrigeration, AC, ventilation or heat pumps or relevant goods and services for visitor target groups
