This flyer provides important information for assembly and dismantling period at Nuremberg fairground.

DB SCHENKER*fairs-* **Empties**

Packaging materials, such as cartons, pallets, empty boxes and crates.

- Give us a written order in advance
- Empty labels could be collected in our Service-point-Container (site-plan)
- Please provide us the information when we could pick up the empties
- Make sure, that your empties are in a transportable and secured condition (e.g. pallets and cardboard boxes stacked, strapped, shrinked)

Wait at your booth until they are picked up and you signed up for the service.

Do not leave your empties unattended at the booth! No liability in this case!

- Your stored empties are returned automatically after the show and do not have to be called up. The returns start at a time determined by the organizer and take up to 4 hours depending on the show.

DB SCHENKER*fairs-* **Fullgoods**

Toolboxes, genies, pallet trucks, ladders, trussing, floor tiles, etc.

- Give us an written order in advance
- Fullgoods labels could be collected in our Service-point-Container (site-plan)
- Please provide us the information what time we could pick up the fullgoods

Do not leave your fullgoods at the booth without a label or unsupervised. No liability in this case!

- We will offer you the opportunity to notify us about the return delivery of your fullgoods during the show. Therefore please get in touch with us directly, so that we could provide you our fullgoods redelivery sheet (via mail at fairs.nuernberg@dbschenker.com)

The full property will be returned upon call (fullgoods redelivery sheet via mail, Service-Container, headoffice, by phone). The time between calling up and returning to the booth can only be delayed on the dismantling evening of the show.

DB SCHENKER*fairs-* **Forklift / General Cargo**

Your goods must be packed in a secured condition and ready for transport

- We kindly ask you to call up for forklift services onsite (Service-Container, headoffice, by phone)
- Give us an appointment for the delivery/collection of your general cargo to/from booth in time. Make sure that in both cases an employee is at the booth.

Please let us have your orders in advance. This helps us in planning the resources and shorten the waiting time.

We have no influence on the entry regulations of the vehicles, this is the responsibility of the trade fair company, therefore we cannot guarantee your fixed dates for loading/unloading with a forklift.

Place an online order for our onsite handling services – uncomplicated, comfortable and timesaving by using mobile devices phone, tablet or laptop:
