

INTERNATIONAL EXHIBITION & CONFERENCE  
LAW ENFORCEMENT AND DEFENCE

23 – 25.2.2026

# ENFORCETAC VILLAGE

DYNAMIC.  
TANGIBLE.  
LIVE.

# YOUR PRODUCTS. LIVE IN ACTION.

In the Enforce Tac VILLAGE, visitors can witness your products live in action. Various scenarios developed by a team of former and active soldiers and police officers create a unique setting for a realistic presentation of your products.

Several times a day, over 400 trade visitors and media representatives per show will experience your products up close and personal thanks to a multi-perspective camera setup including bodycams. In short presentation slots on the Enforce Tac VILLAGE Stage and in the directly adjacent showroom, you will also have the opportunity to present your products again in person and in detail.

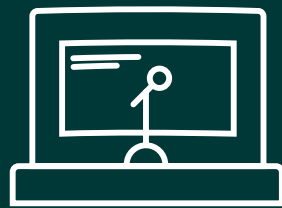

The demonstrations will be broadcast live in all Enforce Tac exhibition halls and professionally accompanied by a knowledgeable presenter.

Do not miss this opportunity – show the performance of your products live in action!

# AT ONE GLANCE
