THE BEST IN DOORS,
WINDOWS, AND
FACADES.**

NEW VENUE
DISTRITO ANHEMBI

E-squadria Show is an important event for professionals and companies in the framing sector. Bringing together leading manufacturers and suppliers, the event showcases new products, advanced technologies, and sustainable solutions that are shaping the future of the construction industry.

The window and door market in Brazil is highly dynamic and follows the growth of the construction industry, driven by factors such as infrastructure investments, real estate expansion, and demand for more sustainable and technological solutions.
