

Joint Stand **Training & Career Meeting Point**

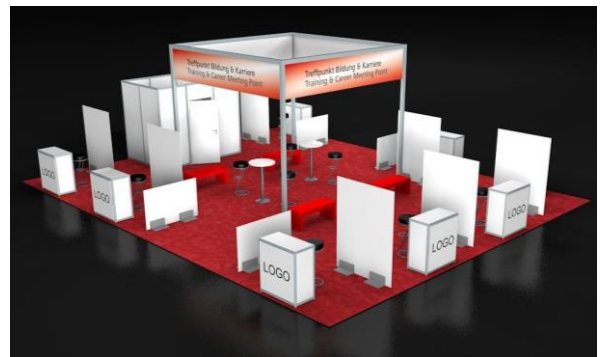

Present your training institute at an attractive all-inclusive price!

FeuerTrutz is Europe's first trade fair and congress that combines solutions in passive, active and organizational fire protection. At this event in Nuremberg, planners, official experts, architects, building engineers, staff from official agencies and fire prevention authorities as well as fire officers can obtain specific information and discuss innovative solutions and products for fire protection and fire control.

As part of FeuerTrutz, training providers will come together at the **Training & Career Meeting Point** joint stand, where they will have the opportunity to present themselves and network at a central placement at a favourable all-inclusive price.
