

Nuremberg, Germany
24 – 25.6.2026

FeuerTrutz 2026

International Trade Fair with Congress for Preventive Fire Protection

Joint Stand **Training & Career Meeting Point**

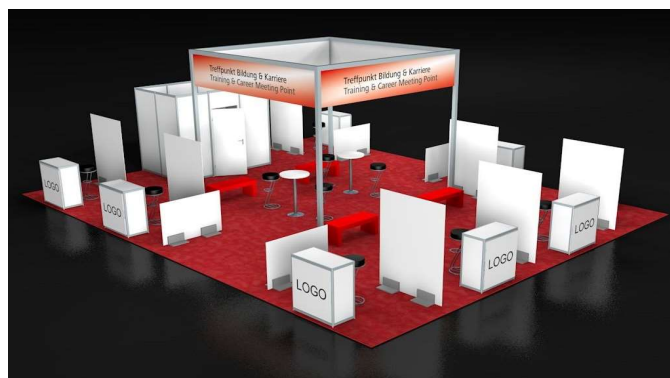

Present your training institute for an attractive all-inclusive price!

FeuerTrutz is Europe's first trade fair and congress in Nuremberg that combines solutions in passive, active and organizational fire protection. At this event, planners, experts, architects, building engineers and fire prevention authorities as well as fire officers can get specific information and discuss innovative solutions and products for fire protection and fire control.

At the **Training & Career Meeting Point** joint stand training providers will come together and have the opportunity to present themselves and network at a central meeting point for an affordable all-inclusive price.

Services included in the joint stand:

- Approx. 6 m² stand space incl. AUMA fee
- Stand construction incl. furniture
- Joint stand construction and individual logo printing on the counter
- Power connection (3 kW) and consumption
- Use of common areas incl. meeting corners and storage facilities
- Marketing services (entries in print and online media, advertising material and voucher monitoring)
- Cleaning and waste disposal services
- Hall security
- General Wi-Fi access

Participation costs
EUR 1.650 plus VAT
