

FeuerTrutz

Expo & Congress

Nuremberg, Germany
16 – 17.6.2027

Working together for fire prevention

Take the chance to present your company at attractive conditions!

On 16-17 June 2027, FeuerTrutz and the Fire Prevention Congress will bring together planners, architects, engineers and fire safety professionals to discover innovative products and solutions.

Young companies can showcase their innovations to a highly qualified professional audience, expand their international reach and benefit from attractive participation conditions within the NürnbergMesse joint pavilion.

Advantages of a joint stand:

- ✓ **More visibility** thanks to the size and attractive location of the joint stand
- ✓ **Effective marketing** by NürnbergMesse through websites, social media, and press
- ✓ **All-in-one package** with a fully equipped, ready-to-use stand
- ✓ **Central contact** point for press, investors, and other startup stakeholders

Included services:

- ✓ Stand space with standardized stand construction, basic furniture, and stand labeling
- ✓ lighting, power connection, and electricity
- ✓ AUMA-fee
- ✓ marketing-services (entries in print and online media, voucher codes and more)
- ✓ cleaning and waste service
