Nuremberg, 1. October 2025

NürnbergMesse welcomes RENKE Brandschutztechnik as new service partner

- **Nuremberg-based RENKE Brandschutztechnik GmbH will be the new service partner for sprinkler systems at exhibition stands**

NürnbergMesse welcomes a new service partner: From 1 October 2025, Nuremberg-based fire protection experts RENKE Brandschutztechnik GmbH will be responsible for fitting sprinkler systems in covered exhibition stands. The company's many years of experience and expertise were a winning factor in the selection process. Following a familiarization period, it will start work at the it-sa trade fair in October. "We are looking forward to working with RENKE and have every confidence that this firm of fire protection experts will continue to ensure the highest level of safety at our exhibition venue," says Dr Maximilian Maier, Vice President Strategy & Portfolio at NürnbergMesse.

In RENKE Brandschutztechnik GmbH, NürnbergMesse gains an experienced and reliable partner in preventive fire protection. Its services include planning and installation, as well as a rapid response if faults develop in sprinkler systems in covered exhibition stands with a floor area of 30 m² or more which are not covered by the exhibition hall's own sprinkler units.

NürnbergMesse expresses its thanks to BSS Sichelstiel, which was previously responsible for this aspect of fire protection systems, for its many years of valued partnership built on mutual trust. BSS Sichelstiel will continue to work with NürnbergMesse in developing and maintaining the fixed sprinkler systems at the exhibition venue.

About NürnbergMesse Group

The NürnbergMesse Group was entered in the commercial register on 5 April 1974 as Nürnberger Messe- und Ausstellungsgesellschaft mbH (NMA) and is now one of the 15 largest exhibition companies worldwide. The Group employs more than 1,200 people at

15 international locations in Germany, Austria, Italy, Greece, Brazil, China, India and the USA. It also has a network of international representatives in more than 100 other countries. Its portfolio comprises around 120 on-site and online events focusing on five main areas: Retail & Consumer Goods, Building & Construction, Process Technology, Electronics & Security, and Social & Public. Overall, its events secure more than 12,000 jobs and generate billions of euros in purchasing power and tax revenue every year, making NürnbergMesse a major economic driver for the Nuremberg Metropolitan Region and Germany as a whole. As an employer and organiser of major events, NürnbergMesse takes its responsibilities for people and the environment seriously. Its business activities are aligned with the UN's 17 Sustainable Development Goals (SDGs) with the aim of achieving a CO2-neutral energy supply by 2028.
