

POWTECH TECHNOPHARM

International Exhibition for Process Operations

23.-25.9.2025 | NÜRNBERG, GERMANY

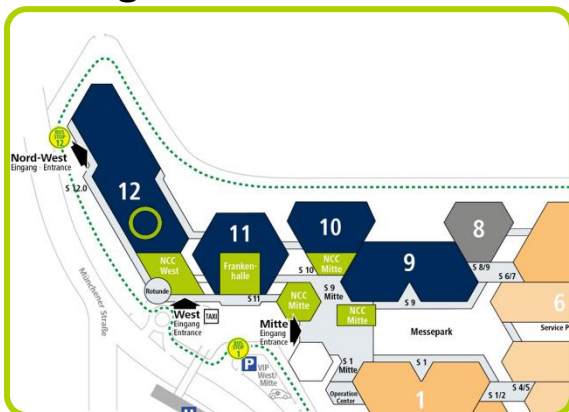

POWTECH TECHNOPHARM Campus PAVILION

POWTECH TECHNOPHARM is sharpening its profile as the “International Exhibition for Process Operations” and is once again opening its doors to all process engineering experts!

We would like to invite you to present yourself at our POWTECH TECHNOPHARM Campus PAVILION, to network with the industry and to support the promotion of young talent.

Benefit from our complete stand space package in various sizes and use the opportunity to make new contacts, intensify existing ones, take part in guided tours, organize workshops and present your services and research focus to a broad specialist audience!

Strong location in hall 12
