Security made easy

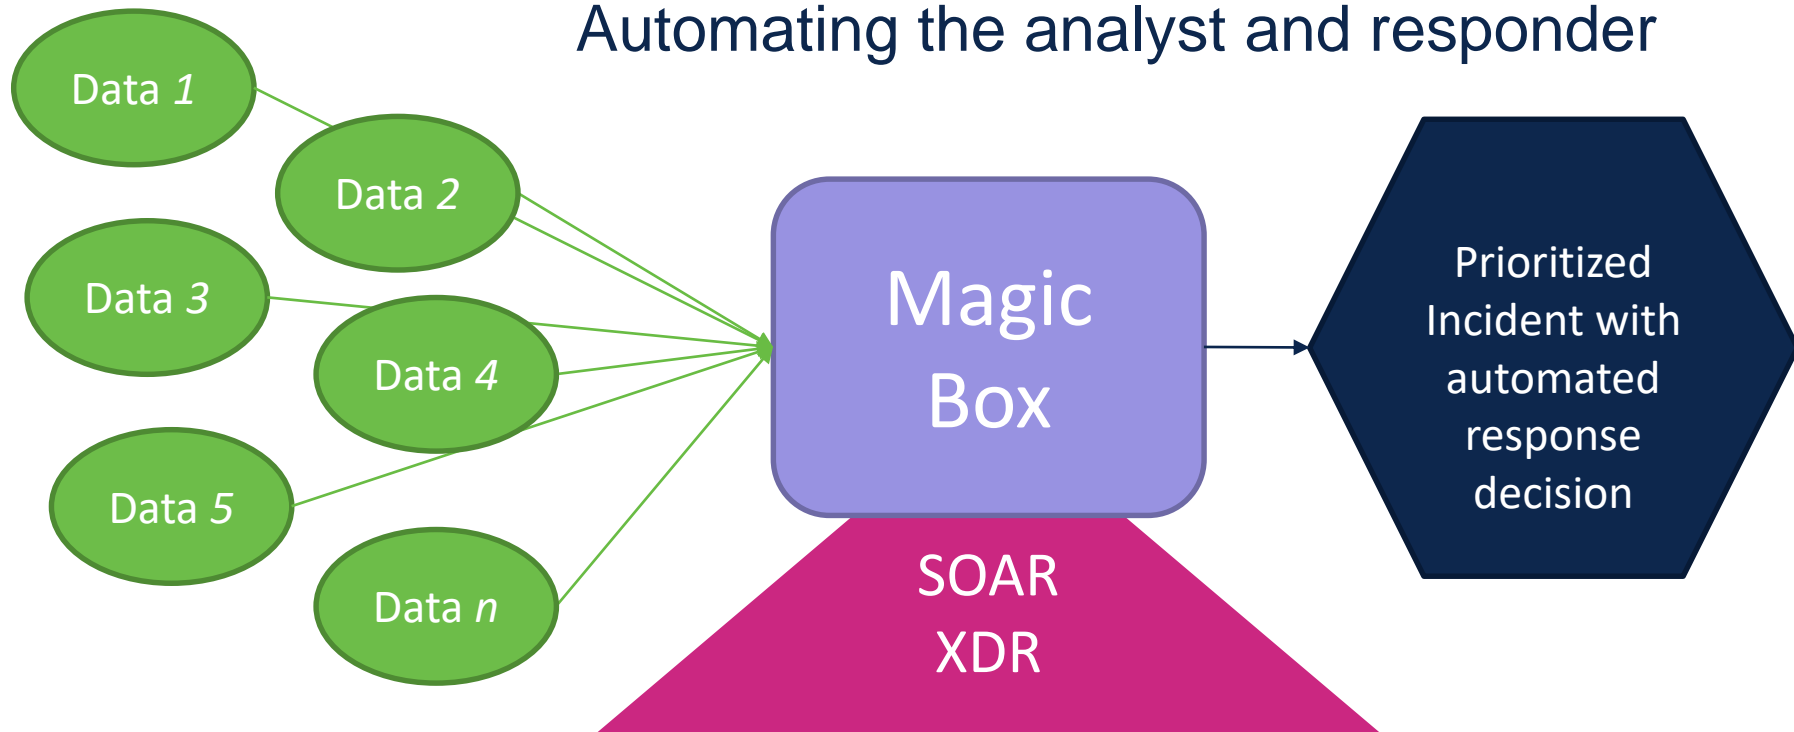

it-sa 2022

Dennis Weber
Technical Solutions Architect Cybersecurity

The dream of the SOC Team:

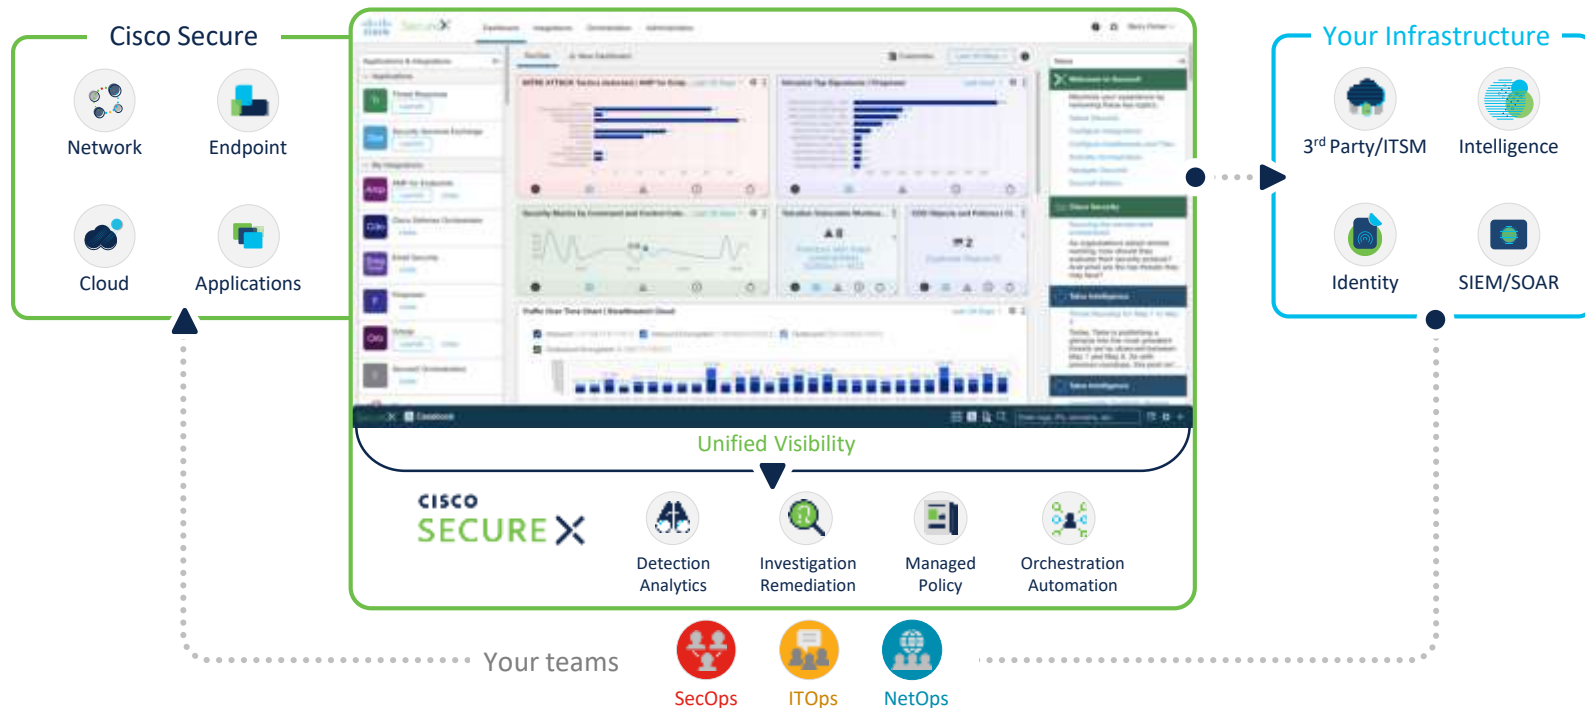

Automating the analyst and responder

SOAR (Security Orchestration, Automation and Response) / XDR (Extended Detection and Response)

SecureX

A Cloud-native, integrative Platform in our Portfolio

A typical journey to SecureX

Looking for
integrative
Platform

To collect
informations

With
customized
views on
collected data

Get a „SIEM“
like system

With Threat
Hunting
capabilities

To retrieve a
complete
Endpoint
Protection

The Magic Box – seeing is believing

Proven platform
with 9,000+
customers
unlocking new
value today with
SecureX
threat response

98%

found the unified view
enables rapid threat
response

95%

say that our security
platform helps them
take action
and remediate

91%

find that our
security platform
helps their teams
collaborate more

“I am able to visualize threats within my
environment and take action in half the time it
used to take me.”

Security Engineer,
Large Enterprise Banking Company

Cisco Secure @ IT-SA 2022

It is finally there!
