TEHTRIS WORLDWIDE

A world map with a light blue background. Landmasses are outlined in white. Countries are colored in two shades of blue: a darker blue for countries with Tehtris distribution and a lighter blue for others. Icons, which are small squares containing a stylized 'T' and a diamond shape, are placed on the map to indicate specific locations. The map is divided into three main regions by text labels: AMERICAS, EUROPE, and MEA & APAC. Below each label is a list of countries and cities with their corresponding icons.

AMERICAS

- Canada (Vancouver)

EUROPE

- France (Bordeaux)
- Denmark (Copenhagen)
- Germany (Frankfurt)
- Spain (Madrid)

MEA & APAC

- Japan (Tokyo)
- Singapore

TEHTRIS WORLDWIDE

A world map with a light gray background. The landmasses are colored in a light blue/teal. Countries are outlined in white. Some countries are shaded in a darker gray, indicating they are not part of the distribution. The map is divided into three main regions: AMERICAS, EUROPE, and MEA & APAC. Each region has a list of locations with a small icon representing the location. The icon is a square with a diagonal line and a small circle.
