

## General Information

**Pyrotechnic presentations** require approval and must be coordinated with NürnbergMesse (Exhibition Technology Department).

If pyrotechnic effects are used on the NürnbergMesse site, the exhibitor/organiser must obtain approval from the competent regulatory agency, the Industrial Trade Inspectorate, and the Nuremberg Fire Department by max. 28 days before the actual event.

**A copy of the approved application must be submitted to NürnbergMesse by no later than 14 days before the start of the event.** NürnbergMesse is under no obligation to approve the request.

The certificate of compliance of the articles may be taken from the relevant packing unit. In addition, any instructions for use on the packaging must be printed on in German. Pyrotechnic objects without certificates of compliance or fireworks of Categories II, III or IV are not allowed. Pyrotechnic objects may only be used when they have a CE label and a registration number.
