AGENDA

COMMENTS BY THE CHAIR

ACTION ITEMS:

1. Approval of the Minutes of the July 13, 2026 Meeting
2. Approval of the Award of Personal Services Contracts More than One Year in Length
3. Organizational Realignment and Removal of Vice President of Human Resources Resolution

INFORMATION ITEMS:

1. Contracts Report
2. Construction Projects Status Report

PUBLIC COMMENT PERIOD

DRAFT – SUBJECT TO REVIEW AND REVISION

**MEETING OF THE TRUSTEES OF THE
NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY**

**52 Chamber Street
New York, NY 10007**

**3:00pm
July 13, 2026**

Trustees Present

Chancellor Kamar Samuels, Chairperson
In Cho, Trustee

School Construction Authority:

Nadine Rivellesse, Vice President, Human Resources & General Counsel
Jessica Reyes, Corporate Secretary
Karen Maher, Chief of Staff
Celeste Ramirez, Incoming President and Chief Executive Officer

Members of the Public:

Leonie Hamison, Class Size Matters

DRAFT – SUBJECT TO REVIEW AND REVISION

Jessica Reyes, Corporate Secretary of the New York City School Construction Authority called the meeting to order at 3:12 p.m. and confirmed that a quorum was present to conduct business.

Ms. Reyes welcomed everyone to the July meeting of the Board of Trustees and turned the floor over to Chancellor Kamar Samuels, SCA Chairperson for opening remarks. Chancellor Samuels expressed how excited he was to be present at the meeting. He stated that although it was his first SCA board meeting that he has attended, it certainly isn't the first time working so closely with the SCA. He confirmed that since the start of his tenure he has really made significant movement with their relationship and conversations especially when it comes to thinking about the class size law. He thanked the SCA for the partnership they have had so far.

With no further preliminary comments, Ms. Reyes proceeded to the agenda.

The first item on the agenda was approval of the minutes from the May 28, 2026, meeting. No changes were proposed. A motion was made and seconded, and the following resolution was unanimously adopted:

07-13-26-01 APPROVAL OF MINUTES AND RATIFICATION OF ACTIONS TAKEN AT THE MAY 28, 2026, BOARD OF TRUSTEES MEETING

BE IT RESOLVED, that the minutes of the Board of Trustees meeting of the New York City School Construction Authority held on May 28, 2026, are ratified, and hereby are, approved and all actions taken by the Trustees present at such meetings as set forth, are in all respects, ratified and approved as actions of the Authority.

* * *

The next item on the agenda was the approval of Personal Services Contracts with periods of performance greater than one year.

DRAFT – SUBJECT TO REVIEW AND REVISION

Before Ms. Reyes presented the contracts, the Chancellor requested that the contract category for the CM Mentor Program be removed from consideration and brought back to the Board at a later date.

Ms. Reyes then presented the remaining five categories of contracts requiring Board approval on behalf of the Capital Plan Management (CPM), Design and Construction Innovation Management (DCIM), and Information Technology (IT) Departments.

The first and second categories were for the Capital Plan Management Department. The first request sought the assistance of two qualified consulting firms to provide real estate appraisals, market analysis reports, property valuations, lease evaluations, and expert witness testimony in eminent domain and other court proceedings. Twenty-seven (27) firms were invited to submit proposals, six (6) proposals were received, and two (2) firms were recommended for award. Ms. Reyes noted that two additional discretionary contracts, each not to exceed \$125,000, were awarded to MWBE firms Aaron Valuation Inc. and Open Impact Real Estate LLC through the SCA's discretionary procurement process. Because the services do not provide subcontracting opportunities, the contracts were awarded directly to the MWBE firms.

The second request sought the assistance of two (2) qualified consulting firms to provide SEQR compliance analysis services. Thirty-three (33) firms were invited, seven (7) proposals were received, and two (2) firms were recommended for award. STV Incorporated reported 35 percent MWBE subconsultant participation, and AKRF reported 25 percent MWBE subconsultant participation.

DRAFT – SUBJECT TO REVIEW AND REVISION

The third and fourth categories were for the Design and Construction Innovation Management Department. The first request sought the assistance of a qualified consulting firm to develop Building Electrification Standards. Fifteen (15) firms were invited, five (5) proposals were received, and one (1) firm, Jaros, Baum & Bolles Consulting Engineers, LLC, was recommended for award. This was the firm's first contract with the SCA, and it reported 22 percent MWBE subconsultant participation.

The second request sought the assistance of five (5) qualified consulting firms to provide Sustainable Design Services. Forty-four (44) firms were invited, fourteen (14) proposals were received, and five (5) firms were recommended for award. Loring Consulting Engineers, Inc. is an MBE firm, and Atelier Ten USA LLC will be doing business with the SCA for the first time. The remaining recommended firms reported MWBE subconsultant participation ranging from 17 to 35 percent.

Trustee In Cho requested additional information regarding the Sustainable Design Services contracts, including a copy of the Request for Proposals (RFP), the proposals submitted in response to the RFP, a breakdown of the services each contractor would provide with the number of hours allocated to each task, records showing the number of mentor contractors that have completed the program and advanced to the next level, and an explanation of how the Authority determines the funding amount for these contracts each time they are competitively procured.

The fifth and final category was a negotiated acquisition for the Information Technology Department. The request was for enhancements to the Labor Law Compliance Management System, the application used to track labor reporting for construction projects.

DRAFT – SUBJECT TO REVIEW AND REVISION

With no further discussion, a motion was duly made and seconded, and the following resolution was unanimously adopted:

07-13-26-02 APPROVAL OF THE AWARD OF PERSONAL SERVICES CONTRACTS WITH A PERIOD OF PERFORMANCE GREATER THAN ONE YEAR IN LENGTH

WHEREAS, the Guidelines for Personal Services Contracts (the "Guidelines"), adopted by the SCA Board of Trustees on May 28, 2026 state that the SCA Board of Trustees must approve Personal Services Contracts for more than one (1) year in length and Supplemental Agreements which extend the duration of a Personal Services Contract to more than one (1) year in length,

NOW, therefore, be it **RESOLVED**, that the SCA Board of Trustees hereby approves the award of Personal Services Contracts as follows:

Competitive Requests for Proposals - Contracts for Services in Excess of One Year - (Staff Summary Sheets Attached)

The **SCA's Capital Plan Management Department** requires the assistance of qualified consulting firms to provide real estate appraisal and valuation services. The services contemplated under this contract include, but are not limited to, preparing real estate appraisals, market analysis reports, property valuations, lease evaluations, and expert witness testimony in eminent domain and other court proceedings. These services will assist the SCA, DOE, and the City of New York in determining fair and reasonable purchase prices, negotiated settlement values, core and shell costs, and lease terms, as well as supporting due diligence efforts for property acquisitions, lease renewals, lease renegotiations, and capital improvement projects involving City-owned school assets.²

<u>Consultant</u>	<u>Amount</u>
Goodman-Marks Associates, Inc.	NTE \$375,000
BBG, Inc.	NTE \$375,000

The **SCA's Capital Plan Management Department** requires the assistance of qualified consulting firms to provide SEQR Compliance Analysis services. The services contemplated under this contract include preparing environmental review documentation and analyses required under the State Environmental Quality Review Act (SEQRA), as well as providing site planning and acquisition support on an as-needed basis. The selected consultants will provide specialized expertise to assist the SCA in meeting its environmental review obligations for applicable projects, where sufficient in-house resources are not available.

<u>Consultant</u>	<u>Amount</u>
STV Incorporated	NTE \$1,500,000
AKRF, Inc.	NTE \$1,500,000

The **SCA's Design & Construction Services Department** requires the assistance of a qualified consulting firm to develop Building Electrification Standards. The services contemplated under this contract include developing a master plan to guide electrification projects, reviewing and updating SCA standards and specifications, creating building electrification guidelines, evaluating electrification solutions across various building types,

DRAFT – SUBJECT TO REVIEW AND REVISION

and assessing the feasibility of geothermal technologies as part of the SCA's decarbonization efforts. The selected consultant will provide the specialized expertise needed to support the implementation of these initiatives.

<u>Consultant</u>	<u>Amount</u>
Jaros, Baum & Bolles Consulting Engineers, LLC ¹	NTE \$700,000

The **SCA's Design and Construction Innovation Management Department** requires the assistance of qualified consulting firms to provide Sustainable Design services. The services contemplated under this contract include sustainability and resiliency consulting, energy modeling, data analytics, development of design standards, compliance with applicable energy codes and local laws, and support for the SCA's Green Schools Guide (GSG) program. The selected consultants will also provide third-party reviews, audits, and recommendations to ensure compliance with sustainability requirements and support the SCA's ongoing environmental and energy efficiency initiatives.

<u>Consultant</u>	<u>Amount</u>
Salas O'Brien Consulting and Engineering Group of New York, Inc.	NTE \$1,500,000
Atelier Ten USA LLC ¹	NTE \$1,500,000
Loring Consulting Engineers, Inc. (MBE)	NTE \$1,500,000
SOCOTEC, Inc	NTE \$1,500,000
WSP USA Buildings Inc.	NTE \$1,500,000

The **SCA's Information Technology Department** requires the assistance of a qualified consulting firm to provide Labor Law Compliance Management System services. The services contemplated under this contract include system enhancements, reporting modifications, software development, and implementation services necessary to support the SCA's labor law compliance requirements throughout the term of the contract.

<u>Consultant</u>	<u>Amount</u>
AskReply, Inc.	NTE \$225,000

1. Firm that is doing business with the SCA for the first time.
2. Two additional contracts were issued to an MWBE under the SCA's discretionary spend contract process.

* * *

The action items on the agenda having been completed, Ms. Reyes turned the floor over to Chairman Samuels for New Business.

Chairman Samuels presented a resolution to remove Nina Kubota and appoint Celeste Ramirez as President and Chief Executive Officer, effective July 14, 2026. He requested that the Board approve the appointment, contingent upon the successful completion of a background check, at a salary commensurate with that of other City agency heads.

The resolution was moved by Chairman Samuels and seconded by Trustee In Cho. Upon a unanimous vote of the Board, the following resolution was adopted:

DRAFT – SUBJECT TO REVIEW AND REVISION

07-13-26-02 APPOINTMENT OF THE PRESIDENT AND CHIEF EXECUTIVE OFFICER

BE IT RESOLVED, that the Trustees of the New York City School Construction Authority hereby remove Nina Kubota and appoint Celeste Ramirez, effective July 14, 2026, contingent upon a successful background check, to the position of President and Chief Executive Officer at a salary commensurate with other agency heads in the City; and be it further

RESOLVED, that she be granted the full range of powers to act as President and Chief Executive Officer which are set forth in Paragraph 7 of Section 1727 of the New York City School Construction Authority Act.

* * *

Ms. Reyes noted that the information items, contract report, and construction report had been provided to the Trustees for their review. The contract report detailed all contracts awarded between May 14, 2026, and July 5, 2026, while the construction report outlined the status of Fiscal Year 2026 projects and the September 2026 school openings.

Ms. Reyes then opened the floor for public comment.

There being no further business, a motion to adjourn was duly made and seconded, and the meeting was adjourned at 3:26 p.m.

Respectfully submitted,

Jessica Reyes

Corporate Secretary

Re: Approval of the Award of Personal Services Contracts
with a Period of Performance Greater than One Year
in Length

BACKGROUND

Pursuant to the Guidelines for Personal Services Contracts (the "Guidelines"), adopted by the SCA Board of Trustees on May 15, 2025, the SCA Board of Trustees must approve Personal Services Contracts in excess of (1) year and Supplemental Agreements which will extend the duration of a Personal Services Contract in excess of one (1) year. Accordingly, the following contracts are presented for approval:

Competitive Requests for Proposals - Contracts for Services in Excess of One Year - (Staff Summary Sheets Attached)

The **SCA's Environmental and Regulatory Compliance Department** requires the assistance of a qualified consulting firm to provide safety training and review of site safety plans services. The services contemplated under this contract include, but are not limited to, providing safety, environmental, and occupational trainings. These trainings are necessary to maintain technical expertise and a high-level working knowledge of all current codes and regulations.

<u>Consultant</u>	<u>Amount</u>
Gallagher Bassett Services, Inc.	NTE \$400,000

The **SCA's Architecture & Engineering Department** requires the assistance of a qualified consulting firm to provide Architecture and Engineering Services in Connection with Acoustical Analysis and Design Consulting Services. The services contemplated under this contract include providing scoping, design, and construction phase services for a variety of projects requiring architectural acoustics analysis, noise control, testing, electro-acoustic services, and contract management.

<u>Consultant</u>	<u>Amount</u>
Ostergaard Associates	NTE \$250,000

The **SCA's Architecture & Engineering Department** requires the assistance of qualified consulting firms to provide Capital Improvement Projects (CIP) services. The services contemplated under this contract include providing scoping, design, and construction support for a variety of capital projects, including roofs, parapets, exterior masonry, windows, building electrification, climate control systems, fire

alarm and public address systems, Temporary Classroom Unit (TCU) removal, Capital Task Force (CTF), Limited Scope Projects (LSP), Administration for Children's Services (ACS), Path of Travel (PoT), and other capital improvement projects.

<u>Consultant</u>	<u>Amount</u>
Popli, Architecture + Engineering & L.S., D.P.C (MBE)	NTE \$5,000,000
MP Engineers and Architects. P.C (MBE)	NTE \$5,000,000
Sen Architects L.L.P. (MBE)	NTE \$5,000,000
Susan Doban Architects, PC (WBE)	NTE \$5,000,000
H2M Architects, Engineers, Geology, Land	
Surveying and Landscape Architecture, D.P.C	NTE \$5,000,000
Ronnette Riley Architecture (WBE)	NTE \$5,000,000
Arcadis Architects P.C.	NTE \$5,000,000
Mott MacDonald Architects, P.C.*	NTE \$5,000,000
Palette Architecture LLC*	NTE \$5,000,000
Tonab Architecture, PLLC (MBE)	NTE \$5,000,000
InfoTran Engineers & Architects P.C. (MBE)	NTE \$5,000,000
CPL Architects, Engineers and Landscape	
Architect, D.P.C	NTE \$5,000,000

The **SCA's Architecture & Engineering Department** requires the assistance of qualified consulting firms to provide services in connection with Capacity Projects. The services contemplated under this contract include preparing feasibility studies and design documents for additions, new buildings, conversions, leased facility upgrades, and other capacity-related projects. These contracts also provide additional support to SCA staff during periods of increased workload. Currently, the SCA does not have sufficient in-house capability to perform the required services, and the utilization of qualified consultants has proven to be an effective means of providing these specialized services.

<u>Consultant</u>	<u>Amount</u>
Perkin Eastman Architects DPC	NTE \$6,000,000
Skidmore, Owings and Merrill LLP	NTE \$6,000,000
Rawlings Architects PC	NTE \$6,000,000
DLR Group Architecture and Engineering PC	NTE \$6,000,000
Martin Hopp Architects PLLC*	NTE \$5,000,000
Grimshaw Architects, P.C.*	NTE \$5,000,000
The Gluck Architectural Collaborative, P.C.	NTE \$5,000,000
PKSB Architects (WBE)	NTE \$5,000,000

REQUESTED ACTION

The Trustees are requested to adopt the following resolution approving the award of the contract listed above.

Re: Solicitation No. SCA26-00069R
Environmental and Regulatory Compliance Services in Connection with Safety Training and Review of Site Safety Plan

Date: July 22, 2026

This solicitation was issued to assist the SCA's Environmental and Regulatory Compliance Department in obtaining up to one (1) qualified consulting firm to provide Safety Training and Review of Site Safety Plans services. The services contemplated under this contract include, but are not limited to, providing safety, environmental, and occupational trainings. These trainings are necessary to maintain technical expertise and a high-level working knowledge of all current codes and regulations. Additionally, these trainings are required to maintain active professional licenses.

The below firm was chosen during the selection process to receive a requirements-type contract to perform the required services.

This procurement was considered for Discretionary Spend Contract (DSC) to MWBE firms however due to limited pool of firms that specialize in this skill set a waiver was issued to proceed as an RFP. The BDD waiver is attached herein.

Currently, the SCA does not have sufficient in-house capability to perform the required services. In the past, the utilization of a qualified Consultant that performs such services has been very successful.

Re: Solicitation No. SCA26-00109R
A&E Services in Connection with Acoustical Analysis and Design Consulting

Date: August 11, 2026

This solicitation was issued to assist the SCA's Architecture & Engineering Department in obtaining up to one (1) qualified consulting firm to provide scoping, design, and construction phases on a variety of projects, which include providing analysis of architectural acoustics, noise control, extensive surveys and testing, electro-acoustic, and contract management services. The services contemplated under this contract include, but are not limited to, new buildings, additions, major modernizations, rehabilitations, and alterations. Although these contracts are managed by the In-House Studio, the Technical Standards Studio also utilizes the contracts to assist with standards development and verification.

The below firm was chosen during the selection process to receive a requirements-type contract to perform the required services. The Consultant shall perform services on Electrification, Building Envelope, and other projects that require acoustical services, particularly when the school or site is located within E-Designated Environmental Sites (e.g. site/school subjected to noise due to close proximity to subways, elevated trains or airplane traffic).

This procurement was considered for Discretionary Spend Contract (DSC) to MWBE firm(s). The Architecture and Engineering Department recommends the issuance of up to one (1) DSC and an RFP solicitation to select and award up to one (1) contract to provide the SCA with Architecture and Engineering Services in Connection with Acoustical Analysis and Design Consulting Services. A waiver was issued to proceed as an RFP. The BDD waiver is attached herein.

A&E SERVICES IN CONNECTION WITH ACOUSTICAL ANALYSIS AND DESIGN CONSULTING
DECISION SUMMARY
SCA 26-00109R

Currently, the SCA does not have sufficient in-house capability to perform the required services. In the past, the utilization of a qualified Consultant that performs such services has been very successful.

Re: Solicitation No. SCA26-00079R
Architecture and Engineering Services in Connection with Capital Improvement Projects

Date: July 24, 2026

This solicitation was issued to assist the SCA's Architecture and Engineering Department in obtaining up to twelve (12) qualified consulting firms to provide Capital Improvement Projects services. The services contemplated under this contract include, but are not limited to, providing scoping, design, and construction support on a variety of CIP projects, which include, but are not limited to, roofs, parapets, exterior masonry, windows, building electrification, climate control systems, fire alarm systems, public address systems, temporary classroom units removal, Capital Task Force (CTF), Limited Scope Project (LSP), Administration for Children's Services (ACS), Path of Travel (PoT) and other capital projects.

The below firms were chosen during the selection process to receive a requirements-type contract to perform the required services.

Due to the Contract Award amount, this procurement was not considered for Discretionary Spend Contract (DSC).

Currently, the SCA does not have sufficient in-house capability to perform the required services. In the past, the utilization of a qualified Consultant that performs such services has been very successful.

Re: **Solicitation No. SCA26-00071R**
Architecture & Engineering Services in Connection with Capacity Projects

Date: July 24, 2026

This solicitation was issued to assist the SCA's Architecture & Engineering Department in obtaining up to eight (8) qualified consulting firms to provide services in connection with Capacity Projects. The services contemplated under this contract include, but are not limited to, the preparation of feasibility studies and design documents for additions, new buildings, conversions, and leased facility upgrades. In addition, these contracts will aid the SCA staff in times of heavy workload.

The below-listed firms were chosen during the selection process to receive a requirements-type contract to perform the required services. The term of each contract will be for three (3) years with no option renewal option.

Due to the Contract Award amount, this procurement was not considered for Discretionary Spend Contract (DSC).

Currently, the SCA does not have sufficient in-house capability to perform the required services. In the past, the utilization of a qualified Consultant that performs such services has been very successful.

President & Chief Executive Officer

Re: Organizational Realignment of Human Resources

BACKGROUND

As part of an organizational realignment intended to enhance executive oversight and support the effective administration of the New York City School Construction Authority ("SCA"), effective August 3, 2026, the President & CEO determined that the Human Resources function would report directly to the Executive Office. In furtherance of this realignment, the President & CEO promoted Azalea Anderson to Senior Director of Human Resources, with responsibility for leading the Human Resources function under the direction of the Executive Office.

Pursuant to Article II, Section 3 of the SCA By-Laws, the President & CEO is responsible for the general management of the Authority's affairs and business, exercises general supervision over the activities of the Authority, and has the authority to delegate authority and assign duties to employees. Article II, Section 4 further provides that Vice Presidents serve under the direction of the President and perform such duties as may be assigned to them by the Chairman, President, or Trustees.

On May 15, 2025, the Board of Trustees appointed Nadine Rivelles, Esq. to the positions of Vice President of Human Resources and General Counsel. Ms. Rivelles assumed responsibility for Human Resources in addition to her responsibilities as General Counsel during a period in which the Human Resources Department was without dedicated senior leadership. With dedicated Human Resources leadership now in place, Ms. Rivelles will no longer serve in the additional role of Vice President of Human Resources and will continue to serve as General Counsel of the SCA.

Article II, Section 9 of the SCA By-Laws provides that officers of the Authority hold office at the pleasure of the Authority and may be removed, with or without cause, at any time by resolution of the Authority. Accordingly, Board action is requested to formally remove Ms. Rivelles only from the position of Vice President of Human Resources, effective August 20, 2026. Ms. Rivelles will continue to serve as General Counsel of the SCA.

REQUESTED ACTION

The Trustees are requested to adopt the attached resolution removing Nadine Rivellese, Esq. only from the position of Vice President of Human Resources, effective August 20, 2026. Ms. Rivellese will continue to serve as General Counsel of the SCA.

ATTACHMENT

Resolution

Celeste A. Ramirez
President & Chief Executive
Officer

ORGANIZATIONAL REALIGNMENT OF HUMAN RESOURCES

WHEREAS, pursuant to Article II, Section 3 of the By-Laws of the New York City School Construction Authority, the President & CEO is responsible for the general management of the Authority's affairs and business and exercises general supervision over the activities of the Authority; and

WHEREAS, on May 15, 2025, the Board of Trustees appointed Nadine Rivellese, Esq. to the positions of Vice President of Human Resources and General Counsel of the Authority; and

WHEREAS, Ms. Rivellese assumed responsibility for Human Resources in addition to her responsibilities as General Counsel during a period in which the Human Resources Department was without dedicated senior leadership; and

WHEREAS, effective August 3, 2026, the President & CEO implemented an organizational realignment pursuant to which the Human Resources function reports directly to the Executive Office; and

WHEREAS, as part of the organizational realignment, the President & CEO promoted Azalea Anderson to Senior Director of Human Resources, with responsibility for leading the Human Resources function under the direction of the Executive Office; and

WHEREAS, the organizational realignment provides dedicated leadership for the Human Resources function and allows Ms. Rivellese to focus on her continuing responsibilities as General Counsel of the Authority; and

WHEREAS, pursuant to Article II, Section 9 of the By-Laws, officers of the Authority hold office at the pleasure of the Authority and may be removed, with or without cause, at any time by resolution of the Authority; and

WHEREAS, in connection with the organizational realignment, the President & CEO recommends that Ms. Rivellese no longer serve as Vice President of Human Resources and continue in her position as General Counsel of the Authority;

NOW, THEREFORE, BE IT RESOLVED, that in connection with the organizational realignment of the Human Resources function, the Board of Trustees of the New York City School Construction Authority hereby removes Nadine Rivellese, Esq. from the position of Vice President of Human Resources, effective August 20, 2026; and

BE IT FURTHER RESOLVED, that Ms. Rivellese shall continue to serve as General Counsel of the New York City School Construction Authority.
